In accordance with Regulation 8 of the Waste Management (Registration of Brokers and Dealers) Regulations 2008, S.I. No. 113 of 2008, the National TFS Office, Dublin City Council [NTFSO] hereby certifies **Soltec (Ireland) Limited** as an authorised Broker/Dealer subject to attached conditions.

Registration Number:	**IRE/A023/25**
Company Name:	**Soltec (Ireland) Limited**
Date of issue:	**1st January 2024**
Expiry date:	**31st December 2025**
Authorised by NTFSO:	Alan O'Donovan

CONDITIONS

The NTFSO has entered the particulars of this certificate of registration in the Register for Waste Brokers and Dealers maintained by it pursuant to waste management legislation. For the purpose of preventing illegal shipments, and in the interest of protecting the environment and human health, in accordance with Regulation 9 of the Waste Management (Registration of Brokers and Dealers) Regulations 2008, this certificate is issued subject to the following conditions:

The person issued with this Certificate of Registration who is involved in a shipment of waste shall-

i) Ensure that shipments of waste are carried out in compliance with the requirements of the Waste Shipment Regulations [Regulation (EC) No. 1013/2006 of the European Parliament and of the Council of 14 June 2006 on shipments of waste; Waste Management (Shipments of Waste) Regulations 2007 (S.I.419 of 2007)] in an environmentally sound manner and without endangering human health.

ii) Submit monthly data reports and pay invoiced service charges in respect of Green List waste shipments.

iii) Compile and maintain records of the types and quantities of waste dealt with in the course of business, the origin and final destination of such waste, the treatment, recovery or disposal activities to which the waste is subject and, the person by whom such waste is collected.

iv) Comply with a written direction served in writing by the NTFSO, including a direction -

- to provide particular information to the NTFSO in relation to a shipment of waste.

- to return the waste shipment to its place of origin or to such other place as may be specified, and to take such measures as may be so specified in relation to the waste, including the recovery or disposal of the waste in such manner or at such facility as may be so specified.

v) Notify the NTFSO in the event of a conviction of an offence contrary to those enactments listed in Schedule 2 of the Waste Management (Registration of Brokers and Dealers) Regulations 2008.

vi) Apply for the renewal of the certificate of registration prior to the current expiry date.

The NTFSO may Revoke a Certificate of Registration, and may Refuse an Application for Renewal of a Certificate of Registration, and remove particulars of that broker or dealer from the Register, if-

i) Monthly data reports and corresponding invoiced service charges in respect of Green List waste shipments are not submitted to the NTFSO.

ii) The broker or dealer is in contravention of the conditions of this certificate of registration.

iii) The broker or dealer is likely, by a continuation of activities, to cause environmental pollution, or to contravene either the Waste Shipment Regulations and the Broker and Dealer Regulations.

iv) The broker or dealer is participating in, or facilitating, a shipment of waste which is contrary to the provisions of the Waste Shipment Regulations and the Broker and Dealer Regulations.

v) The broker or dealer has failed to comply with the requirements in a direction letter, or with any other obligation or duty imposed pursuant to the Waste Shipment Regulations and the Broker and Dealer Regulations.

vi) The broker or dealer has failed to provide all information or material, or both, required for the purposes of an application for renewal of registration.

vii) The NTFSO is satisfied that the broker or dealer is not a fit and proper person.

Enforcement

The NTFSO may seize any vehicle or container and detain it until such time as it is satisfied that the requirements of the Waste Shipment Regulations and the Brokers and Dealers Regulations are being complied with, and may prohibit the export or import of any shipment of waste, where it considers it necessary to prevent illegal shipments and to protect the environment and human health.
